

Our Purpose - His Plans

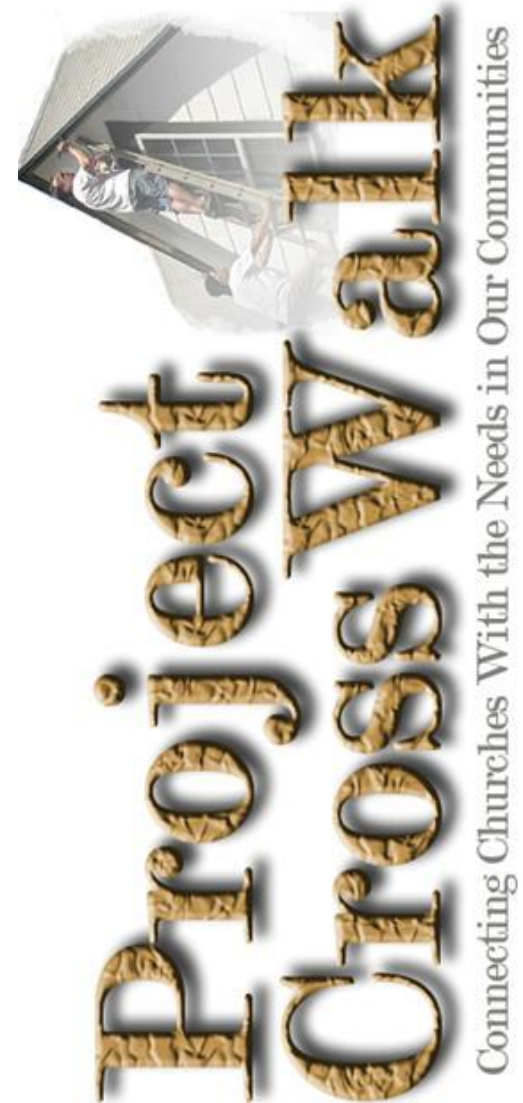

Project CrossWalk exists to connect churches in Grayson County, Texas with needs in our communities for the sole purpose of sharing Christ through works of love and words of truth.

Led by God's Spirit, and motivated by His Holy Word, we not only want to help meet people's physical needs, but also to share spiritual truths in hope that others will grow closer to Him in the process.

Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world.
James 1:27 NIV

Project CrossWalk, Inc. is a 501 (c) (3)
non-profit public charity organization

About Project CrossWalk

- Our communities have a lot of people that need home or property repairs, but are just physically or financially unable to do them alone.
- And we have a lot of people that want to lend a hand to help their neighbors, and to share the love of God in the process.
- Project CrossWalk (**PCW**) makes the connection! People with repair needs can contact us, and we will in turn line up churches or other volunteer groups to help meet those needs.

*Some **examples** of such repairs include: carpentry, painting, plumbing, electrical, wheelchair ramps, yard work, auto repairs, etc.*

- **Anyone** can contact PCW ... we will send someone to talk with the requestor, assess the need, make repair plans, and prioritize the request. Our priorities are widows and widowers, single moms, and struggling families.
- PCW then communicates the needs to the churches and volunteer groups, and helps match those needs to the work group skills. With a little coaching, the volunteers are off and running!
- The church groups or other volunteer work teams interface directly with those needing the repairs, sharing their talents and their love of Christ Jesus.
- PCW provides guidelines, and ensures that the projects are completed.

How You Can Help

Here are a few of the volunteer opportunities at Project CrossWalk...

- **Church Contact** - Serves as a liaison between your church and Project CrossWalk
- **Project Screener** - Screens and prioritizes the potential work projects
- **Project Monitor** - Helps oversee and coordinate the larger or more complicated projects
- **Business Alliance Rep** - Communicates the Project CrossWalk vision to local businesses for the purpose of assisting with project supplies.
- **Work Team Member** - Does all the work ... the key to making PCW a success! If your church participates in Project CrossWalk, volunteer directly with your church body. If not, volunteer online at www.projectcrosswalk.com and we can link you up with other work teams.

Contacting Project CrossWalk

I Have a Need

If you have a need or know someone who does please visit www.projectcrosswalk.com and select the "**Do You Have a Need**" link. Or you may contact us at (903) 465-2737.
