

Project CrossWalk ... How to Get Started

The Church is the Light, the Salt, the Body of Christ, called to spread the Good News around the world through Love (verb).

If your church becomes an active part of this exciting PCW ministry it will:

- ✓ *Be given opportunities to unconditionally love*
- ✓ *Have doors opened to share the Gospel of Christ*
- ✓ *Grow closer inside by reaching outside, by working together*
- ✓ *Build your Body as you invite new people to visit your church*
- ✓ *Experience the love and mercy of God in a close, personal way*
- ✓ *Join forces with other churches ... there's power in numbers !*
- ✓ *And help people see His Church for what it really is*

Here's how you and your church can get started:

1. ***Pray*** that God will bless Project CrossWalk and your church involvement, and that He will prepare people to receive the works of love and words of truth that you will share.
2. ***Make a decision*** to be actively involved as a church – communicate that decision throughout your church family.
3. Select a ***PCW Church Contact*** within your church to coordinate support for projects that become available on the PCW website, and to serve as the main communication link with PCW. Contact PCW with his or her name, email address, and phone number.
4. Identify any potential ***Project Screener(s)*** that may be called to serve in this critical function. If you have someone that feels led to serve, have him or her contact PCW as soon as possible.
5. Begin to ***recruit volunteers!*** Your PCW Church Contact can lead this effort, but anyone can be a recruiter! Develop a list of volunteers. Sunday School classes, home groups, Bible study teams, mission teams, just single volunteers, or church-wide work groups!
Remember: This is an active, on-going ministry that can be done as often as you want.
6. Pray about ***supporting Project CrossWalk financially***, through regular gifts. This will empower the PCW ministry and network of churches be much more effective in being able to meet the physical and spiritual needs in our community.
7. And please, ***pray*** for God's blessing upon this new ministry.

You can contact any one of the PCW Directors for more information, or email: info@ProjectCrossWalk.org
